

LiveHealth Online: Quick, convenient access to doctors 24/7

You can pay your bills, buy groceries, or view the beach in Mexico — all without leaving your couch. Now, using LiveHealth Online, your employees can have a video visit any time, 24/7, with a board-certified doctor using your smartphone, tablet, or computer's webcam. Doctors can answer questions and assess illnesses such as rashes, colds and the flu. They can even send a prescription to a pharmacy, if needed.¹

LiveHealth Online can save time and money – and it works!²

- Two to three hours faster than urgent care
- 6.35 times faster than emergency room
- \$1,405 saved compared to average emergency room visit
- \$107 saved compared to average urgent care visit
- 85% of members resolved their medical issue
- 90% member satisfaction

Your employees can also talk to a licensed therapist or psychologist using LiveHealth Online. It's private and easy to use. In most cases, they can get an appointment within four days or less.³

¹ Prescription availability is defined by physician judgment.

² Results based on internal LiveHealth Online study during 2014 and first quarter of 2015.

³ Appointments subject to availability of a therapist. Online counseling is not appropriate for all kinds of problems. If someone is in crisis or having suicidal thoughts, it's important that he or she seeks help immediately. Please call 1-800-784-2433 (National Suicide Prevention Lifeline) or 911 for help. If it's an emergency, he or she should call 911 or go to the nearest emergency room. LiveHealth Online does not offer emergency services.
