

Crestline DORA Frequently Asked Questions

Q: Can I walk anywhere with my DORA cup?

A: NO. Patrons can only carry DORA beverages in the defined area in the approved container. Retail and private establishments may allow DORA beverages or may opt to NOT allow them. Each establishment within the DORA will have their own policy.

Q: What is a DORA cup?

A: A plastic single-use cup designated for all establishments serving alcohol within the DORA. The DORA information will be provided on a label with each cup.

Q: Can I take my DORA beverage into another participating DORA vendor? (i.e., another bar or restaurant that serves alcohol)

A: No. Once a DORA beverage has left the business where it was purchased, it must be consumed, and the DORA cup disposed of prior to entering another establishment.

Q: Can I take my DORA beverage into a retail or private business within the DORA boundaries?

A: Yes and No. Once a DORA beverage has left the business where it was purchased, it must be consumed, and the DORA cup disposed of prior to entering another establishment, unless the owner of the retail or private business has a sign on their entrance stating that they do allow DORA cups in their business.

Q: What are the hours the DORA will be allowed to operate?

A: The allowable DORA hours are Thursday from 5pm to 10pm, Friday from 5pm to 11pm and Saturday 12pm to 11pm. However, specific hours can be set for special DORA events as approved by Village Council. DORA beverages may not be consumed outside these hours.

Q: How will patrons know the DORA area limits?

A: Signs at key egress and endpoints will be installed on the boundaries. More information can be found on the DORA page on the Chamber's website.

Q: Can I pour my own alcohol in the DORA cup and carry it?

A: No. Beverages MUST be purchased from participating vendors. No cans, glass bottles, or outside beverages of any kind are allowed in public areas within DORA boundaries. In addition, DORA beverages may not be taken outside of the DORA route or patrons may be subject to legal consequences.

Q: Will the DORA area become littered, unruly, or noisy due to DORA?

A: Many municipalities have established DORAs and have had positive experiences. The Village of Crestline has multiple trash cans in the DORA area and may require the event sponsor to provide additional receptacles to keep the area clean. The Crestline Police Department will be visibly present during DORA events and will be readily available should concerns arise. Special events may be required to provide additional police and public works staffing on an as needed basis.
